# THE ROME EXPERIENCE

Tuesday, May 21 – Monday, July 1, 2019

## OUR MISSION & PROGRAM OVERVIEW

In 2007 a number of Bishops familiar with the positive impact of St. Josemaria on diocesan priests expressed interest in a formative program for their seminarians inspired by his spirituality and teachings. St. Josemaria Escriva (1902-1975), founder of Opus Dei and the Association of the Priestly Society of the Holy Cross, devoted many years of his life to both fraternal and spiritual support for diocesan priests, and remains a role model for many priests today.

In response, the St. Josemaria Institute in 2009 organized a six-week program offering academic courses accompanied by spiritual formation, designed to enhance priestly identity and cultivate a love for pastoral ministry.

Since 2009, 205 seminarians from 50 dioceses have participated in the program. Seminarians make a five-day retreat in Ars, France, village of St. John Vianney, to reflect on the meaning of the priesthood. Some seminarians have remarked that this retreat was the most memorable experience of the entire program.

Following the retreat, the seminarians go to Rome for coursework in Theology and the History of the Church.

They pray at the sites of the great saints of the early church, enhancing the priestly zeal for the New Evangelization. Rome provides direct observation of the richness and breathtaking beauty of Christian art and Catholic Churches.

Besides academics, the daily routine is centered on the celebration of the Eucharist and Liturgy of the Hours coupled with an hour of meditation before the Blessed Sacrament. The schedule includes time for fraternal interaction, so important for priestly life.

The program concludes with a pilgrimage to Spain visiting Barcelona and the Monastery and Marian Shrine of Monserrat, and spending a day of reflection at Torreciudad, a Marian Shrine in the Pyrenees.

In the spirit of pilgrimage, the program offers:

# 2019 PROGRAM COURSES

## **PRIESTS IN THE NEW EVANGELIZATION** (.50 credit)

For the New Evangelization, future priests need to have a physical and spiritual closeness to people, and to touch and move people's hearts, as Pope Francis is reminding the Church. St. John Vianney, the patron saint of parish priests, did all of these things while re-evangelizing Ars after the spiritual ravages of the French Revolution. While on retreat in Ars, seminarians will ponder the Church's summons to a New Evangelization through the lives of the St. John Vianney, St. Josemaria, and Pope St. John Paul II.

## **THE HUMAN VIRTUES FOR PRIESTLY FATHERHOOD, CHARACTER, STEADFASTNESS, AND SELF-MASTERY** (1.25 credits)

Every priest needs to be Christ in his daily life to succeed in his priestly mission. The Directory for the Life and Ministry of the Priest emphasizes the human virtues as cornerstones for the priest being a well-rounded, resilient, and reliable man, capable of ministering effectively to God's people. With the current confusion on gender in our society, the Church needs men with a clear priestly identity who steadfastly exercise the strength of character to help promote the holiness of all men and women, celibate and married, lay and consecrated. This course will offer a theoretical account of these virtues and how they can be acquired through Aristotelian-Thomistic anthropology, and St. Josemaria Escriva's practical proposals for seeking holiness through the virile pursuit of the human virtues.

Instructor: Rev. Robert Gahl, Associate Professor of Ethics, Pontifical University of the Holy Cross, Rome

The program follows the Vatican Congregation for the Clergy's *Directory for the Ministry and the Life of the Priests (1994)* and *"The Gift of the Priesthood" (December 8, 2016)*.

"Through The Rome Experience, we have been blessed to get a taste of the power of beauty as found in the richness of the Universal Church. We have seen it in the wonderful churches we have visited, in the breathtaking museums, in the loving words of the Holy Father, and in the rich poverty of people like St. John Vianney and St. Francis."

DIOCESE OF AUSTIN  
THE ROME EXPERIENCE 2018

## **PASTORAL PRACTICE SEMINAR** (.50 credit)

This seminar will help the seminarian bridge the gap between the theological and spiritual principles learned during the Rome Experience with the lived experience of a parish priest. The goal is to help the seminarian to understand his future responsibility as a priest to imitate and live out Christ's own pastoral charity—a pastoral charity that, in essence, requires a total gift of self to the Church and that makes special demands on the parish priest (*Pastores Dabo Vobis*, 1992).

Instructor: Rev. Eric Nielsen, Diocese of Madison;  
Director, St. Paul University Catholic Center, Madison, Wisconsin

## **THE BASILICAS, CHURCHES, AND CATACOMBS OF ROME** (1.50 credits)

The patriarchal basilicas, catacombs and other ancient churches in Rome are an encyclopedia of Church history and theology taught not in words but in indelible images of architecture, sculpture, painting and mosaic. As with the interpretation of stained glass windows, however, one needs to learn the art of "reading that encyclopedia," by understanding the meaning and context of the symbols used. Through readings and discussion in the classroom, and a series of in-depth guided tours, seminarians will have the various volumes of this "encyclopedia" opened for them, to confirm them as followers of Christ and future evangelizers.

Instructor: Dr. Michael Tinkler, Associate Professor of Art and Architecture, Hobart and William Smith Colleges, Geneva, New York

## 2019 TENTATIVE ITINERARY

Rome, "The Eternal City," attracts millions of visitors each year. While several visits in Rome and its environs are scheduled, seminarians will be strongly encouraged to maintain a spirit of prayer and pilgrimage, remembering that they have come to Rome as future priests to pray and study next to the Chair of St. Peter and the saints, while providing a witness to the Faith.

“Being in Rome has been awe-inspiring... We are being formed as men preparing for the priesthood, in order to help save souls through a knowledge of the history of the Church, through the beauty she has produced, and the firmness and maternal affection with which she proclaims Christ the Truth.”

“The privilege of seeing the Pope, receiving his blessing, and hearing his words was overwhelming. The specific content of his message was about sonship: in Christ, we have a loving ‘padre,’ not a ‘padrone,’ and thus, we are truly beloved sons and daughters rather than slaves. What a great message to hear from our Holy Father!”
